### **At Eastside, we have a simple identity.**

We seek to be built around a high quality children's ministry, engaging small groups, and application-oriented worship services.

We strive in each one of these areas to implement the *five functions* of the church: evangelism, discipleship, fellowship, ministry, and worship.

All of these things are put in place to help us fulfill *our calling*: to honor God by reaching and making followers of Jesus Christ..
